Hello Al, Uyen-Uyen, and Mike -

I think this mutual introduction among rule developers will be productive, particularly in what might be euphemistically referred to as an incredibly challenging regulatory environment.

Al: Uyen-Uyen and Mike did a presentation about "Upcoming SCAQMD Rules" at a recent Surface Finishers Educational Association in Orange CA. You can download the presentation from <http://www.sfeasc.org/presentationsdocuments.html>

Mike and Uyen-Uyen: Al and a number of people from the TSCA group at EPA were active participants at last week's Process Cleaning Expo (PCx) In Columbus OH.

Al: Could you send Mike and Uyen-Uyen a copy of Toni's presentation?

I hope this will be helpful. Please feel welcome to call me with questions or concerns.
